Go ahead and kiss the sky
We dream to kiss it too
For if we could kiss the sky
Once again we'd be with you.
Please don't worry and do not cry
You're a part of all we do
So excuse us while we kiss the sky
And soon we'll be with you.

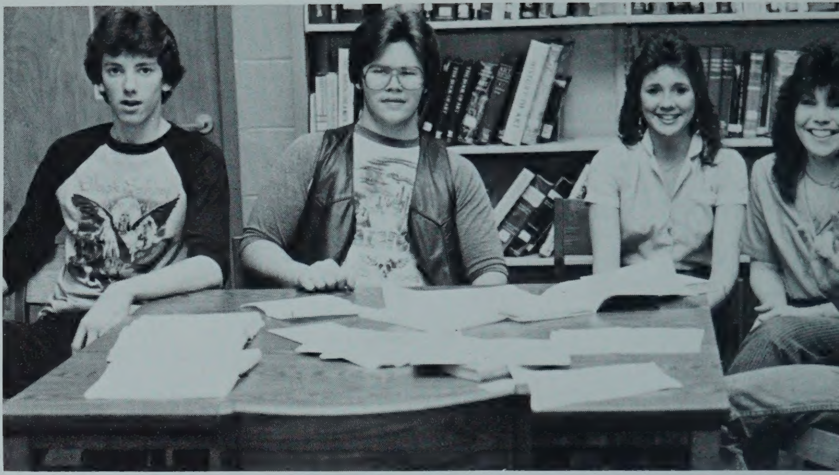
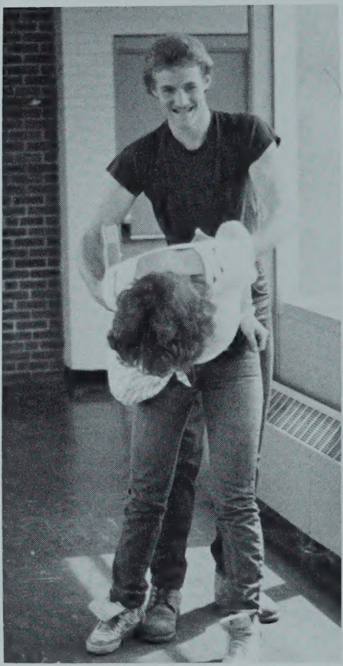
"Time it was, and what a time it was
it was a time of innocence,
a time of confidences
long ago it must be, I have a photograph
preserve your memories,
they're all that's left you."

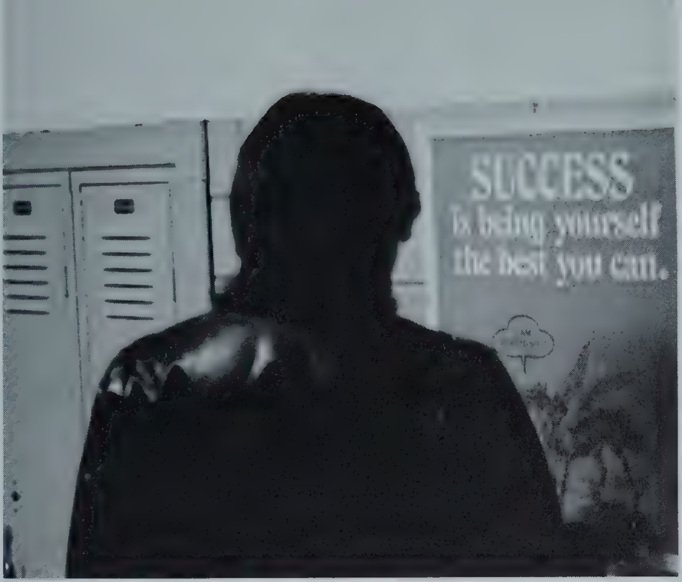
Simon & Garfunkel



1984- Certainly a year to remember. As seniors, it marked the culmination of our years together here at Millbury High. The days have been filled with hard work, laughter, friendship, and growth. Each member of the class of 1984 has developed individually, yet through this perod of personal growth, we have all become progressively united. We can all recall entering Millbury High as freshmen, scared to face a new world. Now, we are all ready to face the real world, thanks to our experiences here at Millbury High. The movement to bigger and better things has occurred, but this time of our lives will always remain in our minds.

We will always remember such special occasions as the Winter Carnival, S.A.D.D. Day, Breakdancing, and the Ronnie James DIO concert. Nationally, we will associate "1984" with the Olympics, the Presidential election involving Ronald Reagan and Walter Mondale, and performers Michael Jackson and Boy George. With these happy memories, we'll also remember world tragedies and suffering. Looking back, these happenings will only be a memory, yet they occurred during an important time of our lives-our Senior year, 1984.





SUCCESS
is being yourself
the best you can.

"WONDERFUL TONIGHT"

MAY 18, 1984

On May 18, the Class of 1985 held their Junior Prom at the Hogan Center of Holy Cross College. At 7:00 a buffet dinner was served, followed by hours of dancing. The band was Crosswinds, who played a variety of music. Halfway through the evening it was time to choose the prom queen and her court. Cindy Willand was selected as prom queen, and her court consisted of Kristin Manguilli, Sharon Frazier, Donna Lawson, Lori Akley, Heather Christman, and Brenda Bergeron. Class Advisor Georges Desrosiers and class president Kristin Manguilli were instrumental in making the prom an enormous success, and an evening which will not be forgotten by those who attended.

NATIONAL HONOR SOCIETY

The National Honor Society was again off to a good start this year. Under the direction of a new advisor, Mrs. Sylvia Stepien, the society was organized and new officers elected. Kathi Sherry was elected President; Christy Snelling, Vice President; Lori Hayes, Secretary; and Sherry Conger, Treasurer. They soon organized activities for the upcoming year which included a tutoring service, a Blood Drive, carnation sales, and a St. Patrick's Day pop sale.

At the end of the second quarter of the school year, new members were chosen and the annual National Honor Society Induction was held on April 27, 1984.

GRAFTON — That sudden, but brief, rise in temperature this town experienced at about 6:20 Friday evening was the collective sigh of relief let out by the girls basketball team of Millbury High.

The Woolies had just beaten the home town team, 44-43, in a SWCL game that saw the respective clubs put together two of the most distinctly different halves of basketball imaginable.

Soccer

Matt Reney and Ed White each scored for **Millbury** as the Woolies upended Shepherd Hill 2-1 last Tuesday. The win put Millbury at 5-2-1 for the year.

And they said there wasn't any pitching in high school baseball.

"That's all we've been reading and hearing, that there's no pitching in the area," said Millbury coach Bob Austin.

There was plenty of pitching at Fitton Field yesterday. Brian Kupstas dug deep down in the ninth to save himself and the Woolies as Millbury beat Auburn in a terrific 2-1 ball game.

The win gave Millbury the District E, Division 3 title in its second trip to the finals. Millbury lost in its last visit in 1978.

DOUGLAS --- Veterans' Day, Soldier

despite the rain, for the 1983 District
soccer tournament to kick off. All th
Tigers had to do was win to make the day
total success.

But the Woolies of Millbury had othe
ideas, even though they entered the con
test at 8-5-1 and the seventh seeded team i
the eight-team tournament. Douglas wa
ranked second but the Woolies proved tha
the seedings really mean nothing outsid
of a home field advantage in the firs
round, as they nipped the Tigers 2-1 in sud
den death overtime.

To say the weather was a factor in thi
game is like saying Herschel Walker was
factor when he played for Georgia. Th
rain, sometimes drizzle, sometime
pelting droplets, fell throughout much o
the game and made for both a treacherou
field and for some added weight for th
players, in the way of mud caked on cleats

But it didn't seem to affect Douglas, a
the Tigers came out and took control earl

Boys Track

The Millbury Boys Track team continued its unbeaten season with a 113-32 victory over West Boylston and a 99½ to 45½ victory over Valley Tech.

In the West Boylston win the Woolies won 15 of 17 events. The team was led by Bruce Hjort (javelin, 440), Brian Lavallee (long jump, 100), John Gilbert (shot put) Jon Rocheleau (discus), Paul Rocheleau (high jump, triple jump), Rich Wilbur (pole vault, high hurdles), Ed White (mile), Bob Howe (low hurdles), and Mark Bubon (880).

MILLBURY — A 25-yard direct shot by Tom Devine at 5:51 of the final period gave the Woolies a win in what Coach Bob Austin called, "One of the most incredible games I've seen in nine years of coaching." Winning goalie Scott Hachey (12 saves) and the Stormliners' Peter Juenhuner (11) each turned back several good scoring bids. Bancroft striker Kris Coontz provided his club's offense with goals in the first, third and fourth periods. Millbury, 1-2, got other scores from Brian Parath, Ed White, Matt Reney and Rick Wilbur. MILLBURY - - - The Millbury track team begins the main stretch of its season with a good head—wind behind it—a 6-0 record, to be exact.

Th Woolies added two more victories to their unblemished record last week as they defeated Grafton 91-53 (for their first SWCL win) and non-conference foe Assabet, 84-61.

Mark Bubon played a major role in both meets, as he took the 440 against Grafton and Assabet, as well as the 880 (vs. Grafton) and the long jump (vs. Assabet).

Other stand-outs were:

**Norm Buteau—long jump, low hurdles winner vs. Grafton*

**Tom Devine—880, mile relay winner vs. Assabet*

**John Gemme—pole vault, 220 vs. Grafton*

Brian Blanchard is a very big player for the unbeaten Millbury High basketball team. You might say he's getting bigger every day.

"My father measured me the other day and I'm up to 6-foot-7 now," said Blanchard.

Blanchard must have looked 10 feet tall to North Brookfield last night, as the senior center scored 25 points and pulled down 15 rebounds while leading the Woolies to a 64-45 victory.

Millbury advances to the semifinals of the Small School Division of the 44th annual Clark University Basketball Tournament at 8 p.m. tomorrow against Tahanto Regional. Millbury, the defending champion, is 18-0, while Tahanto is 14-4. The Stags upset Oakmont, 58-46, last night.

In the other Small School semifinal at 6 p.m. tomorrow, Groton-Dunstable will play Blackstone-Millville. G-D edged Hopedale, 55-54, yesterday on Vin Bevacqua's jumper with 14 seconds remaining, and Blackstone-Millville downed Uxbridge, 74-63, as John Kearnan had 17 points and nine rebounds. Uxbridge played without its leading scorer, Greg Clark, who injured an ankle Friday night against Millbury.

**Dan Gurney—100-yarddash, sprint relay winner vs. Grafton*

**Bruce Hjort—javeline, mile relay winner vs. Assabet*

Millbury now begins its full SWCL schedule facing

For a team to win 23 games in a row, things have to fall in a pretty straight, consistent line over the season. And for that same team to finally lose, that line has be become jumbled, disjointed and finally broken.

Over the 1983-84 season, the Millbury High basketball team established itself as undoubtedly one of the most powerful assemblages to take the court in Central Massachusetts' history—if not all of Massachusetts' history. And the way they were able to become what they were and to win 23 of 24 games they played this season was because they followed a deceptively simple pattern—they would pick their time to go to work, and when they did, everything seemed to fall into place. And all the Woolies would have to do is follow that line to the win column, which they did all but once during the year.

A TOUGH SEASON AGAIN

The future of the football team did not look very bright in the beginning from lack of players and of school spirit. A great recruiting job brought in many new hopefuls from the underclasses. It was the first time these team members had ever played together and the team worked out spectacularly. Millbury will have a concrete foundation for next year's season.

Bob Howe, Michael Murray, and Brian Lavallee, the tri-captains, showed us that the team wanted a good season and even though it didn't work out as well as hoped, their spirit never let down. Bruce Hjort, William Gallagher, and Jeff Brindisi, other returning seniors, made tremendous efforts and gave enormous support to try to help Millbury back onto its feet.

The coaches, Tom McKinney, Tom Hall, and Tom Boerman, had much hope for this young, new football team. They worked their new players to their greatest capacity to gain the most performance from them. They have alot of hope for next year's season and feel if the players put as much effort as this year has, they will have a winning season.

SHORT ON PLAYERS BUT NOT SPIRIT

Not enough can be said for the magnificent effort and sportsmanship of this year's field hockey team, coached by Joan Scannell.

Things looked hopeful in the beginning of the season when 15 girls had signed up. However, the squad soon dwindled to 10 members. Most of the time, the team played 1 or 2 positions short of the 11 required for a field hockey game, leaving the team at a disadvantage to their opponents. Being outnumbered on the field, Millbury found very few scoring opportunities. Co-captain Jo-Ann Dana scored the only goal of the season. The team's season record was 0-14-2.

The team saw strong individual performances from its members. The ten girls, including seniors Jo-Ann Dana (capt.), Lori Hayes (capt.), Sue Donnelly, and Donna Walsh should be congratulated for exhibiting the fortitude of true sportsmen and never quitting.

Since the chances of having a team next year are slim if there isn't more participation on the part of the student body, the juniors and sophomores from this year's team should be recognized for their noble efforts: Nancy McInerney, Leanne Chevalier, Gail Scholz, Chris Gabree, Chris Frazier, and Gina Frederico.

TEAMS HAVE WINNING RECORDS

The boys' and girls' cross country teams had exceptional winning seasons this year under the guidance of Coach Nicoletti. The boys ended with a 10-5 season while the girls had an 8-7 record. The girls' record was excellent considering they ran most of their meets with just 4 or 5 girls after Heather Christman was taken out with a leg injury. The boys ran meets with 6 or 7 participants. These small numbers on the parts of both teams meant that practically every team member had to place in the top 10 to have a chance at winning a meet. Added to this was the fact that Millbury sometimes competed against teams twice their sizes. Millbury performed well under these pressures as shown by their winning records and the tremendous individual efforts given by all. Kathy Dupuis and Milissa Bubon helped the girls' team to many of its victories. John Gemme, Paul Gemme, Mark Bubon, and Paul Fitzpatrick, aided the boys' team with strong meet finishes.

Captains Marie Gemme, Scott Shonbeck, and Paul Fitzpatrick displayed outstanding leadership and will be missed next year.

LEAGUE CHAMPS AT MILLBURY

An excellent season. A fantastic show of skill. These phrases could very well be used to describe this year's Soccer team. Third year coach Bob Austin was very proud of his team. He had much to be proud of. The soccer team ended their season with a 9-4-1 record and an undefeated 5-0-1 record in the league. Our league Champions qualified for District competition. In an exciting second round game against Bromfield, Millbury was eliminated from further district play by a score of 1-2.

The team was led by senior captains Mark Erickson and Scott Hachey. Hachey was an aggressive goalkeeper who had 6 shutout games for the season. He and sophomore Matt Reney were named to the Coaches All-Star Team. Matt was also a member of the T&G Honor team.

Other contributors to the team's success were seniors Dan Gurney, Jim Courtney, Dan Boire, and Rick Wilbur. Underclassmen Tom Devine, Brian Parath, Ed White, and Brian Kupstas did much to gain the league title and will provide a strong foundation for next year's team. Gaute Vollen, a Norwegian exchange student, added a distinctive flair to the team roster with his European style of play.

STATE TOURNEY FOR MILLBURY

The Millbury volleyball team, under the direction of Coach Dunham, had its best season ever. The team closed its season with an 8-3 record. Their winning percentage qualified Millbury to participate in the highest level of competition Millbury volleyball has ever achieved—the State Volleyball Tournament.

With nine returning players from past years, Millbury's experience and hard work were important to their success. The key to Millbury's victories was putting the skills of all ten girls together and playing as a team. The starters for the Millbury team were well skilled and extremely spirited. The line-up consisted of the five seniors and a junior: Debby Mercer-spiker, Cathy Devine (capt.)-setter, Sue Rosseel-spiker, Diane Moore-versatile, Sherry Conger-server, and Michelle Newlands-setter.

The volleyball team would like to express its thanks to Coach Dunham for his time and patience in coaching them to their first State Tournament.

Coach Dunham

There was no doubt that this Millbury team would do something big when they started this year's season where they left off last season-winning. Led by Coach Dunham, Millbury ended regular season play with an undefeated record of 17-0, reclaiming the League championship title for the second year in a row. Millbury remained undefeated through the Clark Tournament and the District playoffs clinching these crowns. Also continuing into the State Semifinals, Millbury experienced its first loss of the season to St. Joseph's of Pittsfield, knocking them from further competition.

This Millbury squad was full of talent. Captain Brian Blanchard (T&G All Star Team) at 6'7" was the dominant force for Millbury in scoring and rebounding. Junior starter Steen Swenson proved to be a powerful, aggressive player off the boards. Seniors Mark Erickson, Scott Hachey, and Shawn Jensen provided the necessary experience and skill required for a Championship team. Sophomores Brian Parath and Bill Silver showed abounding talent and arethe hopes for next year's team to continue Millbury's Dynasty. Off the bench, Doug Coombs, Rich Mahlert, and Ron Bourdeau exemplified the depth of this team.

The boys' Basketball team is yet another facet of the strong athletic program here at Millbury.

MILLBURY SAW A GREAT SEASON

Led by the coaching skills of third year coach Bob Nicoletti, the girls' Basketball team gained a winning record of 12 wins and 8 losses. This was the first winning season these varsity players have accomplished. This team missed participation in the Districts by a slim margin.

The team met with some bad breaks losing a couple of their games by one basket. Even with these losses, the season was a satisfactory one for the players. The final record doesn't attest to the amount of spectacular talent our Millbury team had. Cheryl Baroni proved an asset to the team playing point guard although her stats never hinted to her true contribution.

The team was led by the extremely talented seniors Jo-Ann Dana (captain), Deb Mercer, Cheryl Baroni, and Darlene Belsito. Cheryl and Jo-Ann proved to be strong, aggressive ball players who helped lead the team to their wins. Juniors Brenda Bergeron and Darlene Breault were also valuable to the success of the team and showed great amounts of promise for next year's squad.

A FINE SEASON

This year's Winter Track Team was under the direction of Coach Wilbur and first year Ast. Coach Austin. The boy's team had a good season with a record of 4 wins and 4 losses. Strong participation was given by all members. Seniors, Bob Howe, Brian Lavallee, Bruce Hjort, Scott Shonbeck, and Norman Buteau provided the necessary leadership for the new members. Brian Lavallee and Norman Buteau gave strong individual performances leading the team to their wins. Underclassmen Mark Bubon, Ed White, Tom Devine, and Paul and John Gemme, also had strong performances and will return next year for another strong season.

The Girl's team, led by seniors Cathy Devine, Marie Gemme, and Sue Stafinski faced a tough season being the smallest team in the league. They had only ten girls. Millbury did, however, excellent thanks to the effort by the above girls and Milissa Bubon, Tammy Bousquet, Amy Moore, Annette White, Karen Hjort, and Kathy Dupuis.

Although the cheerleaders couldn't seem to spark the Millbury crowd during the football season, they had no trouble leading the basketball spectators through cheers.

In other attempts to inspire school spirit the cheerleaders sponsored a carnation sale and a school dance.

During this year's tournament season, the cheerleaders entered four competitions: David Prouty High Cheerleaders Tournament, Webster Dance and Cheer Tournament, St. George Cheerleader Tournament and The Bartlett Cheerleader Tournament. They didn't do as well as hoped for in the cheering competition, but they did very well with their dance routine. The squad placed second at the Webster Tournament and received the originality award for their pom-pom routine. At the Bartlett competition, the cheerleaders placed fourth for the same routine and received the "sizzlin' spirit" award. At this same tournament Deb Casey was honored with the Miss Cheerleader Award. She was chosen out of 300 girls at the competition.

STATE CHAMPS!!

Once this Millbury team got rolling there was no stopping them until they made it all the way to their first State Championship title.

Although Millbury missed the league title, they were able to capture the District crown in a satisfying 2-1 victory over local rival Auburn High. Millbury soundly defeated Palmer. Doug Coombs provided the final touches with a triple run homerun in the second inning making the final score 8-1. Millbury met Matignon High in the State Finals game where the continued excellent pitching by Brian Kuptas and strong defense allowed only one successful run by Matignon. The final score was 4-3.

Although seniors Scott Hachey-center field and Brian Blanchard-pitcher missed the exciting post season play, they were strong factors in getting the team to that point. Underclassmen, Brian Kupstas-pitcher, Eric LeClair-right field, Billy Silver-catcher, Steve Freitas-second base, Doug Coombs-first base, Rich Mahlert-center field, Ed Santon-thrid base and Brian Parath at shortstop composed Millbury's solid lineup that proved capable of stopping offenses even as strong as Matignon was known to be.

EXPERIENCE PAYS OFF

The Millbury softball team came into the 1984 season with the goal of making considerable improvement over the 1983 season. Last spring Millbury posted a 1-15 record. With a largely varsity-experienced squad, Millbury achieved their goal with an 8-11 record for this season. The league record was 6-8 this year.

Providing the majority of the varsity experience credited with Millbury's success were four seniors; Jo-Ann Dana (left field), Sue Rosseel (pitcher), Joanne Couture (second base), and Cheryl Baroni at shortstop. Juniors Lisa Evanowski as catcher and Michelle Newlands in centerfield were other stand outs on this team.

A stronger offense was a big factor in Millbury's improvement. More solid hitting increased Millbury's scoring average considerably.

Everyone contributed to this season's success and returning players Brenda Couture, Karen Markey, Marion Wood, Darlene Remmick, Michelle Newlands, Cindy Willand, Cathy Chausse, and Linda Evanowski forsee continued improvement for next year.

UNDEFEATED SEASON ACHIEVED

Coach Dave Wilbur's track team had an undefeated record for only the second time in the club's history, capturing the league title for the seventh time in nine years.

The bulk of the team was made up of a very talented senior backbone, eleven seniors in all. Norman Buteau specialized in the 120 high hurdles, the 330 low hurdles, the long jump and the discus to become the senior top scorer. Dan Gurney and Brian Lavallee dominated the 100 yard dash usually finishing first and second respectively. Dan and Brian were also members of the 4x110 team with Bob Howe and John Gemme. Bruce Hjort had his best season in the javelin, placing fourth in the District E All Class Meet qualifying for the State Meet. Rick Wilbur in the pole vault, Bob Howe, foreign exchange student Gaute Vollen, and Scott Shonbeck also exemplified the leadership and determination needed to capture a league title.

Underclassmen Mark Bubon, Paul Rocheleau, Tom Devine, John Gemme, Paul Gemme, Phil Mossa, Ed White, Dan Rocheleau, Paul Boucher, Paul Grenier, and Brian Haynes helped to round off this championship team.

OVERALL IMPROVEMENT

Led by a large percentage of returning team members, this year's squad compiled a 7-6 overall record and a 4-2 record in the league. Struck by a rash of illnesses early in the season, Millbury found it difficult to get back on its feet. However, under the experienced coaching skill of Bob Nicoletti and newcomer Joanne Witek as assistant coach, the girls were able to improve personally over the season.

Captains Deb Mercer, Cathy Devine, Marie Gemme, and Sue Donnelly provided the leadership necessary to bond a team. The top five scorers on the team were Deb Mercer, Milissa Bubon, Cathy Devine, Brenda Bergeron, and Karen Hjort respectively. Along with being the top scorer, Deb Mercer also broke her own record in the discus with a throw of 102'11".

Improvements in individual events were made by every team member.

Underclassmen Karen Hjort, Gina Frederico, Jennifer Akley, Ellen Ward, Annette White, Robin Rosseel, Milissa Bubon, Nancy McInerney, Tammy Bousquet, Amy Moore, Tammy Johnson, Heather Christman, and Brenda Bergeron will provide a solid nucleus for next year's team which should regain league standing.

It was a blockbuster year for the athletic program at Millbury High. Volleyball, coached by Ron Dunham, entered the State Tournament but were eliminated in the first round. Coach Dunham also led the State Semi-finalist boy's basketball team to the League, District and Clark Tournament victories. Soccer, coached by Bob Austin, also achieved high standings by winning the League title and becoming District semifinalists. Coach Austin, like Coach Dunham headed another team to fantastic heights. The baseball team became District Champs and the first ever State Champs for Millbury. Coach Wilbur's boys' track team gained an undefeated 14-0 record which ensured the League Championship. They also proved the victor at the League Meet.
